LIVING

The large market town of Darlington owes much of its development to the influence of local Quaker families in the Georgian and Victorian eras, who provided much of the finance and vision in creating the Stockton and Darlington Railway, the world's first steam locomotive powered, permanent passenger railway – which the town is famous for.

Independent shops, bars, restaurants and cafes fill the narrow, cobbled streets of the various wynds and yards of this distinctive town centre with delicious eateries and the perfect coffee spots at every corner. The market square provides the ideal location for a vibrant programme of events, from food and drink festivals and dance extravaganzas to regular markets, situated in front of the Victorian market hall, currently undergoing an exciting refurbishment.

The beautiful green space of South Park filled with original Victorian features sits just outside of the town centre, whilst the magnificent Darlington Hippodrome theatre lights up the town with its impressive façade and even more impressive line-up of performances.

WYNYARD & HARTLEPOOL

Hartlepool provides a home close to the coast whilst Wynyard, in Stockton-on-Tees, has some of the most impressive properties in the Tees Valley.

LIVING

Settle in the seaside town of Hartlepool or Seaton Carew and enjoy the perks of living in a coastal location. The Hartlepool Headland offers an array of colourful properties with unrivalled views out to sea whilst the marina is home to the magnificent HMS Trincomolee, the oldest warship still afloat, within the National Museum of the Royal Navy.

The Wynyard estate was owned by the Londonderry family until 1987 and has hundreds of new homes alongside the original country house, now Wynyard Hall Hotel. Wynyard Park is recognised as a significant new settlement with Garden Village status. The managed estate includes amenities such as a golf club, restaurant, shop, salons and even a dentist. Security is no problem, with 24-hour on-site operations, daily patrols and CCTV coverage alongside regular estate maintenance including grass cutting.

This high-quality environment makes Wynyard one of the most sought-after addresses in the Tees Valley. The surrounding area has some of the most scenic settings in the region, with tranquil woodland backdrops. The Woodland Walk at Wynyard Hall is one for all the family to enjoy and the former railway line links to footpaths on to Thorpe Wood Local Nature Reserve, Tilery and Brierley Woods and the splendid Pickard Meadows. Miles of beaches line the coast at Seal Sands, only a 13-minute drive from Wynyard, excellent for a family day out and, as the name suggests, you might see a seal or two.

From magnificent self-builds to outstanding executive homes, the luxury private estate promotes a fantastic quality of life and includes its own facilities.

Hartlepool, which lies just 8-miles from Stockton-on-Tees offers a choice of coastal town centre or village living with the villages of Seaton Carew, Greatham, Hart Village, Dalton Piercy and Elwick.

TRANSPORT

Being situated close to the key road network, including the A1(M), A19 and A689, driving from both Hartlepool or Wynyard to work or reaching attractions is easy. Durham is less than 30 minutes away to the north, and Teesside International Airport is the same distance to the south.

Hartlepool train station is located just minutes from the town centre and connects the town to the rest of the UK with regular direct train services running across the North East to Newcastle, Middlesbrough and Sunderland. Long-distance services to London and Edinburgh can be reached via connecting trains at Darlington with its East Coast Main Line connections.

FOOD AND DRINK

The Stables pub and restaurant in the heart of Wynyard Village is great for a pub lunch and evening meal. Wynyard Hall hotel offers a la carte dining and afternoon tea on the terrace and is complemented by a lakeside spa, top AA rosette restaurant, farm shop, gardens and café as a neighbour. The Wynyard Club at Wynyard golf club is also a popular meal destination and its Wellington Course is rated as one of the UK's best. Nearby Stockton-on-Tees and Hartlepool town centres also offer a range of dining and nightlife options.

Waterside bars, restaurants and cafes can be found at Hartlepool Marina with cool eateries such as Wallis & Co and the Open Jar, now also with a new base at Seaton Carew, as well as plenty more to choose from in the town centre.

SCHOOLS

Wynyard boasts some of the best schools in the region, including Wynyard Church of England Primary school, rated Outstanding by Ofsted.

Hartlepool also has a great choice of Outstanding rated primary schools with Hart Primary School and Holy Trinity Church of England

For secondary education the nearby Sedgefield Community College is also Outstanding and you'll find a number of reputable private schools a short drive away including Red House in Norton.
