Introduction

Introduction

The five local authorities of Stockton-on-Tees, Darlington, Hartlepool, Middlesbrough and Redcar & Cleveland have come together to establish a Combined Authority for the Tees Valley area, to be named the Tees Valley Combined Authority. Building on the already nationally recognised unity and robust ability to work in unison, this Combined Authority will improve the economic prosperity of the Tees Valley area via its powers and reinforcing arrangements.

The Combined Authority recognises the importance of a strong LEP which effectively brings together the private and public sector in driving the economic prosperity of the Tees Valley. By making provision for continuing to work closely with the LEP, for example by integrating CA and LEP meetings, decisions taken by the CA will more fully reflect business views. These views, both in terms of shaping prioritisation and scheme design, will ensure that any public investment is targeted to maximise local business benefit which is key to economic growth.

Draft Order laid before Parliament under section 117(2) of the Local Democracy, Economic Development and Construction Act 2009, for approval by resolution of each House of Parliament.

Part 4.3 Budget and Policy Framework Rules of Procedure

1. Introduction

The Budget and the Policy Framework is the collective name given to the budget and a number of the major plans and strategies of the TVCA that must be considered by Combined Authority Board before they are finally approved.

This part of the Constitution sets out how the Combined Authority Board will decide on which plans and strategies are in the Policy Framework. It also sets out how it will make decisions on the content of the budget and those plans and strategies contained in the Framework where such plans and strategies are brought forward.

Once a budget or policy is in place it is the responsibility of the Combined Authority Board to implement.

2. Content of the Budget and Policy Framework

The Budget and Policy Framework will comprise:

a) The Budget

The budget includes the allocation of financial resources to different services and projects, proposed contingencies, earmarked and unearmarked reserves, the transport levy and decisions relating to the control of the Combined Authority's borrowing requirement, the control of its capital expenditure and the setting of virement limits.

The budget also includes the Treasury Management Strategy. Treasury Management is the management of the Authority's cash flows, its banking, money market and capital market transactions; the effective control of the risks associated with those activities and the pursuit of optimum performance consistent with those risks.

The Treasury Management Strategy aims to protect the Authority from market-related risks by monitoring interest rates, economic indicators and UK and overseas government finances. The prime objective of the Authority's investment strategy is to maintain capital security whilst ensuring that there is the necessary liquidity to carry out its business.

b) The following plans and strategies:

- The Local Transport Plan

The Combined Authority Board will review the composition of the Policy Framework annually as part of the review of the Constitution and the relevant provisions will be amended to take account of the outcome of any review. The TVCA will also publish a timetable for consideration of those plans and strategies included in the Framework.

3. The Budget

The process described below aims to ensure that appropriate and effective consultation takes place with all Members and other stakeholders on the content of the Budget.

a) Initial proposals

At least [2] months before the calculations on the transport levies need to be finalised the Combined Authority Board will produce initial outline proposals. These initial proposals will be accompanied by:

- (i) a summary of information that has been taken into account in producing the initial proposals (including specific reference to consideration of any reviews/studies previously carried out by the Overview and Scrutiny Committee);
- (ii) detailed information on how it is intended to consult with the Constituent Authorities, stakeholders, residents and others;
- (iii) a clearly stated timetable for the consultation and the preparation of final proposals for consideration by the Overview and Scrutiny Committee and the Combined Authority Board.
- (iv) proposals on the extent of virement permitted within the Budget as part of an annual review of the Combined Authority's Financial Regulations.

The initial proposals and accompanying information will then be referred to the Overview and Scrutiny Committee. The Overview and Scrutiny Committee will at this stage examine the consultation proposals and timetable and make recommendations on these, where it is considered appropriate, to the Combined Authority Board.

b) Finalising proposals

The Combined Authority Board will consider any recommendations made by the Overview and Scrutiny Committee and, where it is considered appropriate, amend the consultation process and/or timetable accordingly.

Once the consultation process has been completed, details of the finalised proposals will be referred to the Overview and Scrutiny Committee together with the relevant background information on which the proposals have been based. It is the responsibility of the Chair of the Combined Authority Board and relevant officers to ensure that the Overview and Scrutiny Committee has sufficient background information to enable it to evaluate the proposals against that background information.

The proposals will then be referred back to the Combined Authority Board, together with any recommendations and/or observations from the Overview and Scrutiny Committee.

c) Consideration of final proposals

The final proposals will then be considered by the Combined Authority Board, which may or may not include the recommendations and/or observations from the Overview and Scrutiny Committee.

The Combined Authority Board must approve the final proposals unanimously.

d) After the Budget has been agreed

A notice of the decision will be prepared by the Chief Finance Officer and given to each Constituent Authority.

4. Plans and Strategies (The Policy Framework)

The process described below aims to ensure that appropriate and effective consultation takes place with all Members and other stakeholders on the content of any of the major plans or strategies within the Policy Framework.

a) Initial proposals

At least 2 months before any plan or strategy needs to be finalised, the Combined Authority Board will produce initial proposals. These initial proposals will be accompanied by:

- (i) a summary of information that has been taken into account in producing the initial proposals and any consultation undertaken (including specific reference to consideration of any reviews/studies previously carried out by the Overview and Scrutiny Committee);
- (ii) detailed information on how it is intended to consult with Members and others;
- (iii) a clearly stated timetable for the consultation and the preparation of final proposals for consideration by the Overview and Scrutiny Committee and the Combined Authority Board ; and
- (iv) proposals on the degree of changes to the plan or strategy that can be approved by the Combined Authority Board during the life span of the plan or strategy.

The initial proposals and accompanying information will be referred to the Overview and Scrutiny Committee. The Overview and Scrutiny Committee will examine the consultation proposals and timetable and make recommendations on these, where it is considered appropriate, to the Chair of the Combined Authority Board.

b) Finalising proposals

A second draft of the policy, taking into consideration comments received through the consultation process on the initial proposals will be approved by the Combined Authority Board and referred again to the Overview and Scrutiny Committee together with the relevant background information on which the final proposals

have been based.

Any recommendations and/or observations from the Overview and Scrutiny Committee will be considered by the Combined Authority Board.

c) Submission of final proposals to the Combined Authority Board

The final proposals will then be considered by the Combined Authority Board, which may or may not include the recommendations and/or observations from the Overview and Scrutiny Committee.

The Combined Authority Board must approve the final proposals unanimously.

5. Decisions that contravene the Budget or the plans or strategies in the Policy Framework

TVCA's Financial Regulations contain provisions allowing virement. Subject to those provisions, the Combined Authority Board, committees of the Combined Authority Board and/or any officers or joint committees discharging functions are only authorised to take decisions in line with the approved Budget and/or the approved plans or strategies in the Policy Framework. Only the Combined Authority Board can take a decision that wholly or in part does not accord with the approved Budget or plans or strategies in the Policy Framework.

Decision makers must take the advice of the Monitoring Officer and/or Chief Finance Officer where it appears to them that a decision they wish to make would be contrary to the approved plans or strategies in the Policy Framework or not wholly in accordance with the approved Budget. Where advice is given that the decision would be contrary to the approved plans or strategies in the Policy Framework or not wholly in accordance with the Budget then that decision must be referred to the Combined Authority Board.

Decisions of the Combined Authority Board, its committees, sub-committees or a joint committee or officers, must be in line with the policies set by the Combined Authority Board. These decision makers may only make changes to any of the policies in the Policy Framework in the following circumstances:

- a) where the TVCA has a budgetary constraint and changes are made to the policies in the Policy Framework to meet that constraint. This may involve the closure or discontinuance of a service;
- b) changes necessary to ensure compliance with the law, ministerial direction or government guidance; or
- c) changes to a policy which would normally be agreed annually or periodically by the Combined Authority Board following consultation, but where the existing policy document is silent on the matter under consideration.

Part 4.4 Officer Employment Rules of Procedure

The Officer Employment Rules of Procedure set out the Authority's governance arrangements for the recruitment and dismissal of, and the taking of disciplinary action against, officers.

This section should be read in conjunction with the Scheme of Delegation of Functions to Chief Officers (Part 3.6).

The Authority's Chief Officers and Deputy Chief Officers may include, in accordance with the Local Government and Housing Act 1989:

- a) a statutory chief officer (e.g. the Head of Paid Service, the Monitoring Officer and the Chief Finance Officer);

No candidate so related to a Member or an officer will be appointed without the authority of the Head of Paid Service or an officer nominated by them.

The Authority will disqualify any applicant who directly or indirectly seeks the support of any Member for any appointment with the Authority. The content of this paragraph will be included in any recruitment information.

No Member will seek support for any person for any appointment with the Authority.

Nothing in the above paragraphs precludes a Member from giving a written reference for a candidate for submission with an application for employment.

3. Appointments

Where the Combined Authority Board determines to appoint a Chief Officer or Deputy Chief Officer the Combined Authority Board will draw up a statement specifying the duties of the officer concerned and any qualifications or qualities to be sought in the person to be appointed.

If it is not proposed that the appointment be made exclusively from among existing officers of the Constituent Authorities, the Combined Authority Board will:

- a) make arrangements for the post to be advertised in such a way as is likely to bring it to the attention of persons who are qualified to apply for it; and
- b) make arrangements for a copy of the written statement mentioned above to be sent to any person on request.

The appointment of any other officer is a matter for the Head of Paid Service.

4. Disciplinary Action

The Head of Paid Service, the Monitoring Officer or Chief Finance Officer may be suspended whilst an investigation takes place into alleged misconduct. That suspension will be on full pay and last no longer than two months.

The TVCA shall voluntarily adopt the principles set out in the Local Authorities (Standing Orders) (England) Regulations 2001 as originally enacted.

No other disciplinary action may be taken in respect of any of those officers except in accordance with a recommendation in a report made by an independent person designated and acting in accordance with Regulation 7 of the Local Authorities (Standing Orders) (England) Regulations 2001 as originally enacted.

Members will not be involved in the disciplinary action against any officer below Deputy Chief Officer level except where such involvement is necessary for any investigation or inquiry into alleged misconduct, through the Authority's disciplinary, capability and related procedures.

5. Dismissal

Members will not be involved in the dismissal of any officer below Deputy Chief Officer level except where such involvement is necessary for any investigation or inquiry into alleged misconduct, through the Authority's disciplinary, capability and related procedures.

Part 6.1 Contract Procedure Rules

A Brief Guide to the Contract Procedure Rules

Contract Procedure Rules promote good procurement practice and public accountability and deter corruption. Following the rules is the best defence against allegations that a purchase has been made incorrectly or fraudulently.

Officers or Members responsible for purchasing or disposal must comply with Contract Procedure Rules. Contract Procedure Rules lay down minimum requirements and a more thorough process may be appropriate for particular contracts.

In general, all officers and Members as appropriate must:

- ❖ Follow the rules set out in these Contract Procedure Rules if you purchase goods, services or construction works.
- ❖ Take all necessary procurement, legal, financial and other professional advice.
- ❖ Declare any personal financial interest in a contract. Corruption is a criminal offence.
- ❖ Thoroughly appraise the purchasing need and assess the risk.
- ❖ Maintain confidentiality during the purchasing process.
- ❖ Complete a written contract or TVCA order before the supply of goods, delivery of service, or construction works begin.
- ❖ Keep records of dealings with suppliers.
- ❖ Assess each contract afterwards to see how well it met the procurement need and best value requirements

1. Introduction

- 1.1 Procurement is defined as: *‘the process of acquiring works, supplies or services from third parties. The process spans the whole cycle from identification of needs, through to the end of a service contract or the end of the useful life of an asset. It involves options appraisal and the critical “make or buy” decision, which may result in the provision of services in-house in appropriate circumstances.’*
- 1.2 These Contract Procedure Rules cover the processes to be followed for all purchasing, licensing, leasing, contracting, commercial partnering or commissioning of works, supplies or services from third parties.
- 1.3 Good procurement depends on ensuring that requirements are reliably determined, appropriate sourcing strategies are developed and contracts are well managed. Failure to procure in this way can result in additional costs and put the achievement of the TVCA’s strategic priorities at risk.
- 1.4 These Contract Procedure Rules are intended to:
 - a) secure the best value for the TVCA;
 - b) provide those involved in spending public money, with clear and transparent procedural requirements to complement existing professional skills, integrity and commitment and to protect officers from legal challenge;
 - c) ensure fairness to those seeking to contract with the TVCA;
 - d) prevent fraud and corruption or the suspicion of it; and
 - e) ensure the TVCA operates within the law.

- 2.7 “OJEU” means the Official Journal of the European Union.

- 2.9 “Dynamic Purchasing System” means an agreement that allows purchasers to order supplies, services or works under the terms and conditions specified in the dynamic purchasing system. Additional third parties can apply to join the dynamic purchasing system at any time and shall be accepted onto the dynamic purchasing system if they meet selection criteria.
- 2.10 Where the context so admits and requires, references to the masculine shall include all other genders, and references to the singular shall include the plural and vice versa.
- 2.11 For the avoidance of doubt, where any of these Contract Procurement Rules conflict with a statutory provision, the statutory provision shall prevail and these Contract Procedure Rules shall be construed accordingly.

- (b) you may not participate in any vote taken on the matter at the meeting;
- (c) if the interest is not registered, you must disclose the interest to the meeting; and
- (d) if the interest is not registered and is not the subject of a pending notification, you must notify the Monitoring Officer of the interest within 28 days.

19. Where you have an interest of the type described in paragraph 18 in any business of the TVCA, you may attend the meeting and make representations, answer questions or give evidence relating to that business before the business is considered and voted upon, provided the public are also allowed to attend the meeting for the same purpose, whether under a statutory right or otherwise.

Disclosable Pecuniary Interests

20. In addition to the requirements of the Act regarding the registration and declaration of a disclosable pecuniary interest, you must also comply with the statutory requirements relating to withdrawal from participating in any discussion or voting on any matter in which you have a disclosable pecuniary interest.

Requirement to leave a meeting room

21. You must comply with any procedural rule or standing order adopted by the TVCA which requires a member to leave the room during any meeting at which a matter in which they have a disclosable pecuniary interest is being discussed.

Disclosable Pecuniary Interests

The duties to register, disclose and not to participate in respect of any matter in which a member has a disclosable pecuniary interest are set out in Chapter 7 of the Localism Act 2011.

For this purpose:-

“the Act” means the Localism Act 2011;

“body in which the relevant person has a beneficial interest” means a firm in which the relevant person is a partner or a body corporate of which the relevant person is a director, or in the securities of which the relevant person has a beneficial interest;

“director” includes a member of the committee of management of an industrial and provident society;

6.2.2 Officers Code of Conduct

1. Purpose

- 1.1 This code sets out the standard of conduct that the TVCA expects from its officers. The aim is to promote high standards of conduct and to maintain public confidence in the Councils services

2. General Principles

- 2.1 The public is entitled to expect the highest standards of conduct from all Offices. The role of Officers is to represent the TVCA in delivering services to the local community. Officers must perform their duties to the best of their abilities with honesty, integrity, impartiality and objectivity and contribute to the maintenance of high standards in public service. Officers must at all time act in accordance with the trust that the public is entitled to place in them.
- 2.2 This code should be read in conjunction with the TVCA's Constitution and Human Resources Policies and Procedures.

3. Gifts and Hospitality

- 3.1 All offers of gifts or hospitality should be treated with caution. Where a gift or hospitality could be perceived as an inducement or reward for performing TVCA duties, or where acceptance of the gift or hospitality could be open to misinterpretation, Officers should tactfully but firmly refuse the offer.
- 3.2 Gifts of a promotional nature, e.g. calendars, diaries and pens which are of a low monetary value i.e. less than £25 may be accepted.
- 3.3 All offers of gifts and hospitality of £25 or more in value, including any offers of sponsorship for training or development, whether or not they are accepted, must be recorded promptly (and no later than 28 days from the date of the offer) in a register held by a nominated officer in the relevant service grouping. Completed forms are to be submitted to and approved by the appropriate [Monitoring Officer]. Copies are sent to [] for recording and monitoring purposes.
- 3.4 It is a criminal offence under the Bribery Act 2010 to accept a bribe or to bribe another person. The offence of being bribed will occur where an employee agrees to receive or accepts an advantage (for their own or another's benefit and whether or not he or she actually receives it), in order to carry out the improper performance of a TVCA function, or where the advantage may be a reward for already having performed the function improperly.
- 3.5 The offence of bribing another person occurs where an employee offers, promises or gives a financial or other advantage to another person, with the intention that this will induce that person to improperly perform a function or activity, or in order to reward that person for the improper performance of such a function or activity.

- 3.6 Guidance on the Bribery Act indicates that bona fide hospitality and promotional, or other business expenditure which seeks to improve the image of a commercial organisation, better to present products and service, or to establish cordial relations, is recognised as an established and important part of doing business and it is not the intention of the Act to criminalise such behaviour.
- 3.7 If Officers are in any doubt about the acceptance of a gift or hospitality they should inform [the Monitoring Officer] in advance (where feasible) and seek advice. Where an employee receives an unsolicited gift or believes that a person is otherwise attempting to influence him or her, [the Monitoring Officer] should be informed immediately.
- 3.8 Particular care should be taken by Officers concerned with purchasing or the award of official contracts. An Officer who knowingly accepts a gift or favour from a contractor or other person seeking services to or from the TVCA may put themselves at risk of a disciplinary investigation. Failure to record offers of gifts and hospitality may also be the subject of investigation by managers.

4. Not Used.

5. Confidential Information

- 5.1 Officers should treat all information they receive in the course of their employment as confidential to the TVCA. Officers must not use information in the TVCAs possession to further their private interests or those of their relations and friends. Deliberate exploitation of confidential information for personal gain may result in disciplinary action including dismissal.
- 5.2 Officers are only permitted to disclose confidential information where it is required by law or where the TVCA has agreed to make the information available to the public. Where Officers are in any doubt as to whether they are permitted to release information they must consult their Line Manager or Head of Service before any disclosure is made.

6. Officer Interests

- 6.1 Officers must disclose any personal conflicts of interest and must not involve themselves in any decisions or matters where their actions could be perceived as biased. A personal conflict may arise where an Officer provides consultancy services in a private capacity which conflict with or are of a similar nature to the TVCAs services, or which may result in a reduction of TVCA services. Another example is where an employee, acting in a private capacity, causes conflict with the service provided by the TVCA to a service user.
- 6.2 Officers interests in contracts must be disclosed in writing where Officers have any financial interest, direct or indirect, in any contract which the TVCA has entered into or is proposing to enter into, or any application for a licence, consent or permission. Officers are also required to identify a partner, relative or close associate who might have a legitimate interest in TVCA contracts or services.
- 6.3 Officers must also disclose in writing any interests where they are involved as either as an individual or as a partner in a business or as a Director of a Company or where they have a substantial shareholding in a public or private company which

regularly has dealings with the TVCA. For this purpose, “substantial” can be defined as more than £5,000 nominal value or 1/100th of the nominal value of the company whichever is the lower. Friendship or membership of an association or society could also influence Officer’s judgements and should be treated in the same way.

- 6.4 If Officers are in any doubt as to what interests they need to declare they should seek guidance from [the Monitoring Officer]. Failure by Officers to declare interests in contracts or companies is a criminal offence. Failure to disclose a conflict of interest may result in disciplinary action.

7. Public Office

- 7.1 Officers who wish to seek public office in an Authority other than that with whom they are employed or act for are not generally prevented from doing so unless they occupy politically restricted posts under the Local Government and Housing Act 1989, but should discuss their intentions and the implications with [the Monitoring Officer] and seek legal advice.

- 7.2 Officers other than holders of politically restricted posts who become councillors of other Local Authorities should ensure that their two capacities are kept separate. In particular, they should take care that they do not disclose or use for an unauthorised purpose confidential information which could benefit or cause harm either to the Authority represented or to the TVCA.

8. Political Activities

- 8.1 Political activities relate to standing for public elected office, engaging in party political debate in a personal capacity, by speaking or writing in public and canvassing at elections. The ability of Officers to indulge in such activities is restricted if they occupy politically restricted posts.

- 8.2 An employee who proposes to engage in political activities should consider all aspects of this Code and ensure there is no conflict of interest between their duties as an employee and their political activities. Officers at a senior level who regularly advise members, regularly have contact with the public or media, or exercise delegated powers should take particular care when they propose to engage in political activities. They must in all cases consult their Line Manager.

- 8.3 Where Officers are required to advise Members they must do so in ways which do not compromise their political neutrality and must not allow their own personal or political opinion to influence or interfere with their work.

9. Recruitment and Employment

- 9.1 Officers involved in recruitment or decisions relating to discipline, promotion or grading must not be involved where they are related to an applicant or have a close association with an applicant or employee.

- 9.2 All Officers involved in recruitment and selection on behalf of the TVCA must be familiar with, and abide by, the TVCA’s recruitment policy and procedures.

9.3 Canvassing of Members of the TVCA relating to any employment matter including appointments, is strictly prohibited and may result in disciplinary action.

10. Sustainability Issues

10.1 Officers must be aware of their obligation towards improving the environment and in particular ensure the wider long term implications of their actions are in accordance with TVCA policy.

10.2 Officers are required to consider sustainability issues when undertaking their duties, including the procurement of goods and services. In particular they should seek opportunities to improve and promote energy conservation, advocate recycling and waste minimisation, reduce pollution and support TVCA initiatives to improve the environment.

11. Diversity

11.1 All members of the local community, customers, contractors, Members and Officers have a right to be treated with fairness and dignity. All Officers are required to comply with TVCA diversity policies and in accordance with the legal requirements placed upon the TVCA.

12. Intellectual Property/Copyright/Lecture Fees

12.1 All creative designs, writings and drawings produced by Officers in the course of their duties are the property of the TVCA.

12.2 All inventions made by Officers remain the property of the TVCA if made during the course of their duties. The duties are described in the Officers terms of employment, job description and those arising from an instruction from a manager or other authorised officer of the TVCA.

12.3 Fees for giving lectures or writing articles may only be retained by Officers where these activities are not integral to their employment or position with the TVCA and they are conducted in the Officers own time.

12.4 Where Officers are interviewed by the media or agree to give lectures in connection with their official duties the TVCA's publicity manager must be consulted on any intended lecture or publication in the press or other media which is connected to their official duties and prior consent of their Head of Service or line manager must be obtained.

12.5 Officers should take care when expressing their personal views publicly that they do not undermine confidence in their objectivity in the performance of their duties.

13. Use of TVCA Facilities

13.1 Officers must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the TVCA.

13.2 The TVCA's resources should be used solely in respect of its business. No improper use must be made of premises, vehicles, equipment, stationery or

services. A reasonable amount of personal use of ICT and telephone facilities may be made but are subject to any TVCA ICT protocols and the payment of all personal telephone calls on a monthly basis.

14. Performance of Duties

14.1 Officers are required to observe agreed working procedures, operational regulations, health and safety rules, regulations, professional codes of practice and the provisions of the TVCA's constitution and to carry out reasonable and proper instructions in matters relating to their duties.

14.2 An Officer must not:-

- (a) Fail to discharge through carelessness, or neglect an obligation placed upon him/her by contract or by law;
- (b) Fail to report any matter which he/she is required to report;
- (c) Fail to wear safety clothing or footwear, or use safety equipment which has been issued as being necessary in the interests of health & safety or otherwise fail to have due regard to health & safety requirements.

14.3 Failure to observe the Officers Code of Conduct or any human resources policies and procedures (specifically those relating to substance misuse, smoking or ICT protocols) or other TVCA policies, regulations or standards, may lead to disciplinary action in accordance with the TVCA's disciplinary procedures.

6.2.3 Protocol on Member/Officer Relations

1. The Role and Purpose of the Protocol

- 1.1 TVCA strives to carry out its duties and provide services in a way that is effective; efficient in terms of the resources deployed; and responsive to the views and wishes of the people that might be affected by what it does.
- 1.2 Above all, the TVCA operates with, and promotes high ethical values and standards and in an environment which demands close and effective working relations between all Members and Officers without either seeking to take unfair advantage of their position. This is achieved by means of a culture of mutual respect, trust, courtesy, openness and understanding. Members and Officers feel free to speak to one another openly and honestly.
- 1.3 With this in mind, the purpose of this protocol is not in any way to change that relationship, but to offer guidance to Members and Officers on their respective roles and their working relations with one another, in order to help them to perform more effectively and thereby to ensure the efficient and effective running of the authority and the delivery of best value services to the local community.
- 1.4 The relations between Members and Officers are complex and varied. This protocol does not therefore aim to be either prescriptive or comprehensive. It is intended simply to offer guidance on some of the issues which most commonly arise. It is hoped however that the approach which it adopts to these issues will serve as a reference document for dealing with other issues.
- 1.5 This protocol relies to a large extent on current practice and convention. It does, however, attempt to promote greater clarity and certainty for the benefit of both Members and Officers.
- 1.6 The Protocol also seeks to reflect and bring together the principles underlying the respective Codes of Conduct which apply to Members and Officers. The shared objective of these Codes is to enhance and maintain the integrity (both real and perceived) of Local Government and those who work within it and to maintain the very high standards of personal conduct required of all who serve the public.
- 1.7 Local Government does not however operate in isolation. The TVCA always seeks to work in partnership with other local organisations and agencies and regional and national bodies to the greatest effect for the people of the area. Increasingly TVCA Members and Officers are required to represent the TVCA on a variety of outside bodies and organisations with statutory and non-statutory links to the TVCA. Whilst the procedural aspects of the Protocol relate mainly to the TVCA, it is expected that Members and Officers representing the Authority on outside bodies, continue to maintain the ethos of courtesy, respect and understanding advocated by this Protocol.
- 1.8 The Protocol must be read and operated in the context of all relevant legislation and national and local codes of conduct and the TVCA's Policy on confidential reporting. A copy of the Members' Code of Conduct and the Confidential Reporting Policy are reproduced in this part of the Constitution. Advice and guidance in connection with the Code and Policy, together with this Protocol can be obtained from the TVCA's Monitoring Officer.

2. The Roles of Members and Officers

2.1 Members

The roles of Members of the TVCA and Officers employed by the TVCA are different, but complementary. The former National Code of Local Government Conduct for Members indicated that:-

Para. 23 *“Both Councillors and Officers are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the TVCA. Their job is to give advice to Councillors and the TVCA, and to carry out the TVCA’s work under the direction and control of the TVCA.*

Mutual respect between Councillors and Officers is essential to good Local Government. Close personal familiarity between individual Councillors and Officers can change this relationship and prove embarrassing to the Councillors and Officers.”

2.2 Not used.

2.3 The five guiding principles to be followed are that the TVCA should be:

Transparent – to ensure that the public are clear about who is responsible for particular decisions.

Understandable – to ensure that the decision making process is simple, clear and unambiguous to Members, Officers and the public.

Efficient – to enable swift and responsive action.

Accountable – to ensure that decisions are open to scrutiny by Members and by the public and that members of the public are able to measure the TVCA’s actions against the policies upon which it was elected.

Providing Best Value - to promote continuous improvement within the TVCA and demonstrate Best Value in ensuring resources are directed appropriately.

2.4 Officers

Officers support and advise the TVCA, and the constituent parts of its decision-making machinery; implement TVCA decisions and may themselves take decisions formally delegated to them through the approved Scheme of Delegation. All Officers are required to be politically neutral.

2.5 Not used.

2.6 Not used.

2.7 Both Officers and Members must comply in all respects and at all times with their respective Codes of Conduct, not only in their dealings with each other, but also when dealing with partners and the public.

2.8 In particular, it should be recognised that Members of the TVCA do not have any special immunity from civil or criminal wrongs that they may commit against fellow Member’s,

Officers or members of the public. Members must ensure that they do not, therefore, for example, slander or libel another person. During the course of their normal duties for the TVCA, Members will only have a qualified (and not an absolute) protection against prosecution or civil action.

- 2.9 Any member of the public (including Officers) can complain to the TVCA's Monitoring Officer about a Members' alleged breach of the TVCA's Code of Conduct for Members and/or bring private, civil action against a Member. The District Auditor can also take legal action against an elected Member and the TVCA, as a whole, for any alleged breach of the law.
- 2.10 The TVCA has statutory duties with regard to equality issues and in accordance with TVCA's Code of Conduct for Members, Members must promote equality by not discriminating against others. Members and Officers should not, therefore, by their behaviour or speech act in a discriminatory way with regard to, for example, a person's age, gender, race, disability, religion, ethnicity, nationality or sexual orientation. Such principles will apply to the implementation of personnel policies, recruitment and promotion as they apply to day to day dealings with fellow human beings.

2.11 **Members' expectations**

Members can expect from Officers:-

- (a) A commitment to the TVCA as whole, and not to any political group.
- (b) A working partnership.
- (c) An understanding of and support for respective roles, workloads and pressures.
- (d) Reasonable and timely response to enquiries and complaints.
- (e) Professional advice, not influenced by political views or preference, which does not compromise the political neutrality of Officers.
- (f) As envisaged by, amongst other things, the TVCA's Concordat for Communications and Consultation with Members, regular, up to date information on matters that can reasonably be considered appropriate and relevant to their needs, having regard to any individual responsibilities that they have and positions that they hold.
- (g) Awareness of and sensitivity to the political environment.
- (h) Respect, dignity and courtesy and not acting in a discriminatory way through behaviour or speech.
- (i) Relevant training and development in order to carry out their role effectively.
- (j) Integrity, mutual support and appropriate confidentiality
- (k) That employees will not use their relationship with Members to advance their personal interests or to influence decisions improperly.
- (l) That Officers will at all times comply with the relevant Code of Conduct.
- (m) Support for the role of Members as the local representatives of the TVCA, within the parameters of support approved by the TVCA.
- (n) That Officers will promote equality of opportunity in all TVCA matters.

2.12 Officers' Expectations

Officers can expect from Members:-

- (a) A working partnership.
- (b) An understanding of and support for respective roles, workloads and pressures.
- (c) Leadership and direction.
- (d) Respect, dignity and courtesy and not acting in a discriminatory way through behaviour or speech..
- (e) Integrity, mutual support and appropriate confidentiality.
- (f) Not to be subject to bullying or harassment or to be put under undue pressure. Members should have regard to the seniority of Officers in determining what are reasonable requests, having regard to the relationship between Members and Officers, and the potential vulnerability of Officers, particularly at junior levels.
- (g) That Members will not use their position or relationship with Officers to advance their personal interests or those of others or to influence decisions improperly.
- (h) That Members will at all times comply with the TVCA's Members' Code of Conduct.
- (i) That Members will promote equality of opportunity in all TVCA matters.

2.13 Limitations Upon Behaviour

The distinct roles of Members and Officers necessarily impose limitations upon behaviour. By way of illustration, and not as an exclusive list:-

- (a) Close personal, as opposed to working, relationships between Members and Officers can confuse these separate roles and detrimentally affect the proper discharge of the TVCA's functions, not least by creating the perception in others that a particular Member or Officer may be securing advantageous treatment.
- (b) The need to maintain the separate roles means that there are limits to the matters on which Members may seek the advice of Officers, both in relation to personal matters and party political issues.
- (c) Relationships with a particular individual or party groups should not be such as to create public suspicion that an employee favours that Member or group above others.

2.14 Grievances or Complaints

Procedure for Officers

- (a) From time to time the relationship between Members and Officers may break down or become strained. Whilst it will always be preferable to resolve matters informally, through conciliation by an appropriate senior manager or Member (please see the Member Conduct - Officer Protocol for this purpose), Officers will have recourse to the Grievance Policy and Procedure, where the matter concerns their employment or to the TVCA's Monitoring Officer, as appropriate to the circumstances. In the event

of a grievance or complaint being upheld, the matter will be referred to the Head of Paid Service who will decide on the course of action to be taken.

Procedure for Members

- (b) In the event that a Member is dissatisfied with the conduct, behaviour or performance of an Officer, he/she should not raise the matter in public or before the press, as Officers have no means of responding to the same in public. The matter should be raised with the appropriate Proper Officer.

5. Chairs and Members of Overview and Scrutiny Committee

5.1 The primary role of the Chair and Members of the Overview and Scrutiny Committee is to scrutinise the decisions of the TVCA.

5.2 Over and above these requirements, the Chair and Members of the Committee have responsibility for ensuring the scrutiny process operates fairly and openly. In particular, they will have responsibility for ensuring that Members and Officers are not questioned (whether through the nature, tone or language used), in such a manner as could be considered by a reasonable person to be hostile, offensive, derogatory, harassing, bullying, victimising, discriminatory or otherwise unacceptable or inappropriate behaviour by a Member.

5.3 The Chair and Members of the Committee should expect Members and Officers to be as open as legally possible with the Committee. In a public forum information should not however be disclosed where it is categorised as exempt under the Access to Information Procedure Rules. The Chair and Members of the Committee will still need to demonstrate the same need to know in respect of access to information as other Members.

5.4 In accordance with the Code of Conduct, Members must not use TVCA resources for party political purposes. They must uphold the political impartiality of the Officer body, and not ask Officers to act in any way which would conflict with the Employee Code of Conduct, this Protocol, any other part of the Constitution or National Conditions of Service.

5.5 Officers are required to assist the Overview and Scrutiny Committee in the delivery of its role. The Chair and Members of the Committee will however have to be aware of the resource consequences of any proposals. In some instances requests for research in pursuit of scrutiny may have to be refused on grounds of expense or time. In any event information currently under confidential review by the Combined Authority Board will not normally be available on request to the Scrutiny Members.

5.6 The overriding principles outlined in paragraph 2.3 of this protocol apply to the scrutiny process, just as they do to the TVCA's decision-making arrangements.

5.7 The Overview and Scrutiny and Select Committee may call on Members and senior Officers to answer questions on decisions made by the Combined Authority Board or by delegated Officer decision either by an invitation to attend Overview and Scrutiny committee meetings, or by responding in writing. Invitations should be issued in writing from the Chair of the Overview and Scrutiny Committee and should indicate the subject matter which is to be addressed. Seven working days notice must be provided wherever practicable.

6. Not Used**6. Overview and Scrutiny Committee Members' Access to Information and TVCA Documents**

- 6.1 As regards the legal rights of Overview and Scrutiny Committee Members to inspect TVCA documents, these are covered partly by statute and partly by common law.
- 6.2 Overview and Scrutiny Committee Members have a statutory right to inspect any TVCA document which contains material relating to any business which is to be transacted at a TVCA meeting. This extends not only to reports which are to be submitted to the meeting, but also to any relevant background papers. This right is however restricted where the documents relate to certain items which may appear on the "Not for Publication" part of the agenda for meetings. The items in question are those which contain exempt information relating to eg any individual; the financial or business affairs of any particular person (including the authority holding the information); any action taken or to be taken in connection with the prevention, investigation or prosecution of crime. Specific details can be found in the Access to Information Procedure Rules. An Overview and Scrutiny Committee Member should also not knowingly inspect and/or call for a copy of any document relating to a matter in which he/she is professionally interested or in which he/she has directly or indirectly any personal, disclosable pecuniary interest. In addition, the Monitoring Officer or any Solicitor to the TVCA may decline to allow inspection of any document which is , or in the event of legal proceedings, would be protected by privilege arising from the relationship of Solicitor and Client.
- 6.3 The common law right of Overview and Scrutiny Members is much broader and is based on the principle that any Member has a prima facie right to inspect TVCA documents so far as his/her access to the documents is reasonably necessary to enable the Member properly to perform his/her duties as an Overview and Scrutiny Committee Member of the TVCA. This principle is commonly referred to as the "need to know" principle.
- 6.4 In some circumstances (eg a Committee Member wishing to inspect non-personal or non-confidential documents relating to the functions of that Committee) a Member's "need to know" will normally be presumed. In other circumstances (eg a Member wishing to inspect TVCA documents which contain personal or confidential information about third parties, or commercially sensitive information) there will be a presumption against disclosure and such a Committee Member will be expected to justify the request in specific terms in order to make their "need to know" clear. In certain cases, additional guidance regarding the circumstances when inspection may or may not be allowed may also have been approved by the TVCA.
- 6.5 Whilst the exercise of this common law right principally depends therefore upon the Overview and Scrutiny Committee Member's ability to demonstrate that he/she has the necessary "need to know" and that there are no legitimate reasons for non-disclosure, a such a Member has no right to "a roving commission" to go and examine documents of the TVCA. Mere curiosity is not sufficient. The crucial question is the determination of the "need to know". The "need" is so that Members can perform their role. It can be limited by conflict of interest, confidentiality and practicality. The question as to whether a "need to know" has been reasonably and satisfactorily established must initially be determined by the particular Director of Service whose service holds the document in question (with advice from the Monitoring Officer). In the event of dispute, the question falls to be determined by the Monitoring Officer.
- 6.6 As a general requirement, where a request to inspect or copy TVCA documents is likely to involve the significant use of resources, approval to the use of those resources should be

requested by following the need to know determination procedure specified in the preceding paragraph.

- 6.7 Whilst the term “TVCA document” is very broad and, prima facie, includes for example any document produced with TVCA resources, it does not cover draft documents or documents which do not relate to business to be considered by or transacted at a TVCA, or Committee meeting. It is also accepted by convention that a Member of one party group will not have a “need to know” and therefore a right to inspect, a document which forms part of the internal workings of another party group.
- 6.8 Finally any TVCA information provided to an Overview and Scrutiny Committee Member must only be used by the Member for the purpose for which it was provided ie in connection with the proper performance of that Member’s duties as an Overview and Scrutiny Committee Member. Members might necessarily acquire much information that has not yet been made public and is still confidential. It is betrayal of trust to breach such confidences. Members should never therefore disclose or use confidential information for the personal advantage of themselves or of anyone known to them, or to the disadvantage or the discredit of the TVCA or anyone else.
- 6.9 The Freedom of Information Act 2000 has brings additional rights, responsibilities and safeguards regarding confidential information.

Part 6.3 Confidential Reporting Policy

This policy has been introduced to enable employees, and other persons working for the TVCA on TVCA premises, together with suppliers and those providing services under a contract with the TVCA to confidentially voice serious concerns over alleged malpractice and alleged wrongdoing within the Council.

Officers may be nominated in each service for the purpose of dealing with concerns raised by employees or other persons under this policy.

1. INTRODUCTION

- 1.1 Employees/Officers are sometimes the first to realise that there may be something seriously wrong, but they may not express their concerns because they feel that speaking up would be disloyal to their colleagues or to the TVCA; or they may fear harassment, victimisation or other reprisals. In these circumstances it may be easier to ignore the concern rather than report what may be just a suspicion of malpractice.
- 1.2 The TVCA is committed to the highest possible standards in the delivery of its services, and for full accountability for those services. In line with that commitment employees are encouraged to come forward and voice any serious concerns they may have about the TVCA's work. It is recognised that certain cases will have to proceed on a confidential basis. This policy document makes it clear that you can do so without fear of reprisals. This policy is intended to encourage and enable you to raise serious concerns within the TVCA rather than overlooking a problem or "blowing the whistle" outside.
- 1.3 The policy applies to all Officers, employees and any contractors working for the TVCA on TVCA premises. It also covers suppliers and those providing services under a contract with the TVCA in their own premises.

2. AIMS AND SCOPE OF THIS POLICY

2.1 This policy aims to:

- a. provide avenues for you to raise concerns and receive feedback on any action taken;
- b. allow you to take the matter further if you are dissatisfied with the TVCA's response to the concerns expressed; and
- c. reassure you that you will be protected from possible reprisals or victimisation.

2.2 Service Comments, Commendations and Complaints systems are in place to provide a mechanism for you to complain about the standard of service, action or lack of action by the TVCA or its employees, which affect our services to the public. If you are an employee there are procedures in place to enable you to lodge a grievance relating to your own employment. The Confidential Reporting Policy is intended to cover concerns that fall outside the scope of these procedures eg malpractice or wrongdoing.

2.3 Thus any serious concern that you may have regarding the suspicion of malpractice or wrongdoing in any aspect of service provision or the conduct of Officers or Members of the TVCA (although complaints about Members' conduct may need to be forwarded to the TVCA's Monitoring Officer) or others acting on behalf of the TVCA can and should be reported under this policy. Employees and Officers are expected to report malpractice and wrongdoing and may be liable to disciplinary action if they knowingly and deliberately do not disclose information relating to malpractice or wrongdoing in any aspect of service provision or the conduct of Officers or Members of the TVCA or others acting on behalf of the TVCA.

3. WHAT IS MALPRACTICE OR WRONGDOING?

3.1 Malpractice and wrongdoing may be about something which:-

- is unlawful; or
- against the TVCA's Standing Orders or policies; or
- is not in accordance with established standards of practice; or
- amounts to improper conduct by an Officer or a Member.

The overriding concern should be that it would be in the public interest for the malpractice to be corrected and, if appropriate, sanctions to be applied.

The following are examples of issues which could be raised under this policy. It is not intended to be an exhaustive list and there may be other matters which could be dealt with under this policy:

- a. any unlawful act or omission, whether criminal or a breach of civil law
- b. maladministration, as defined by the Local Government Ombudsman
- c. breach of any statutory code of practice
- d. breach of, or failure to implement or comply with any policy determined by the TVCA
- e. failure to comply with appropriate professional standards or other established standards of practice
- f. corruption or fraud
- g. actions which are likely to cause physical danger to any person, or give rise to a risk of significant damage to property

- h. failure to take reasonable steps to report and rectify any situation which is likely to give rise to a significant avoidable cost, or loss of income, to the TVCA or would otherwise seriously prejudice the TVCA
- i. abuse of power, or the use of the TVCA's powers and authority for any unauthorised or ulterior purpose
- j. unfair discrimination in the TVCA's employment or services
- k. dangerous procedures risking health and safety
- l. damage to the environment
- m. other unethical conduct

4. SAFEGUARDS

4.1 HARASSMENT OR VICTIMISATION

The decision to report a concern can be a difficult one to make, not least because of the fear of reprisal from those responsible for the malpractice or from the TVCA as a whole. The TVCA will not tolerate any harassment or victimisation and will take appropriate action in order to protect you if you raise a concern in good faith. In addition you are protected by law by the Public Interest Disclosure Act, which gives employees protection from detriment and dismissal where they have made a protected disclosure, provided the legal requirements of the Act are satisfied.

This does not necessarily mean that if you are already the subject of disciplinary procedures that those procedures will be halted as a result of a concern being raised under this policy.

4.2 CONFIDENTIALITY

It will be easier to follow up and to verify complaints if complainants are prepared to give their names. However, wherever possible the TVCA will protect those who do not want their names to be disclosed. It must be appreciated that any investigation process may reveal the source of the information and a statement from you may be required as part of the evidence.

4.3 ANONYMOUS ALLEGATIONS

Concerns expressed anonymously are much less powerful, but they will be treated with caution and considered at the discretion of the TVCA. In exercising this discretion the factors to be taken into account would include:

- a. the seriousness of the issues raised;
- b. the credibility of the concern; and
- c. the likelihood of obtaining the necessary information and confirmation of the allegation.

4.4 DELIBERATELY FALSE OR MALICIOUS ALLEGATIONS

The TVCA will view very seriously any deliberately false or malicious allegations it receives, and will regard the making of any deliberately false or malicious allegations by any employee as a serious disciplinary offence which could result in dismissal.

If you make an allegation in good faith but it is not confirmed by the investigation, no action will be taken against you.

The TVCA will try to ensure that the negative impact of either a malicious or unfounded allegation about any employee is minimised. However, it must be acknowledged that it may not be possible to prevent all of the repercussions potentially involved.

5. HOW DO I RAISE A CONCERN?

5.1 If you suspect wrongdoing in the workplace:

- **do not** approach or accuse the individuals directly
- **do not** try to investigate the matter yourself
- **do not** convey your suspicions to anyone other than those with the proper authority but **do** something!

5.2 As a first step, you should normally raise concerns with your immediate manager or supervisor. However, the most appropriate person to contact will depend on the seriousness and sensitivity of the issues involved and who is thought to be involved in the malpractice. For example, if you believe that senior management is involved in the matter of concern, or the normal channels of communication are inappropriate for some reason, as an employee of the Council you should approach your service's Nominated Officer (an Officer who has been nominated for the purpose of dealing with concerns under this policy). If you feel that this would be inappropriate in the light of the particular matter concerned, or if you are not a Council employee, you can contact any of the Nominated Officers specified in the Policy.

5.3 Concerns may be raised verbally but are better raised in writing. You are invited to set out the background and history of the concern giving relevant names, dates and places where possible, and the reason why you are particularly concerned about the situation. If you do not feel able to put your concern in writing you can telephone or meet the appropriate Officer.

5.4 The earlier a concern is expressed, the easier it is to take appropriate action.

5.5 Although you are not expected to prove the truth of an allegation that is made, it will be necessary for you to demonstrate to the person contacted that there are sufficient grounds for concern.

5.6 Advice and guidance on how matters of concern may be pursued can be obtained within the Council from Human Resources.

5.7 Alternatively, you may wish to seek advice from your trade union or professional association.

6. HOW THE TVCA WILL RESPOND

6.1 The action taken by the TVCA will depend on the nature of the concern. Where appropriate, the matters raised may:

- be investigated by management, internal audit, or through the disciplinary process
- be referred to the Police
- be referred to the external Auditor
- need to be the subject of a referral to the TVCA's Monitoring Officer
- form the subject of an independent enquiry

6.2 In order to protect individuals and the TVCA, initial enquiries will be made to decide whether an investigation is appropriate and, if so, what form it should take. Concerns or allegations which fall within the scope of specific procedures (for example allegations of breaches of the TVCA's Code of Conduct, or discrimination issues) will normally be referred for consideration under these procedures.

6.3 Some concerns may be resolved by agreed action without the need for investigation.

6.4 Within 14 calendar days of a concern being raised under this procedure the relevant Officer will write to you:

- a. acknowledging that the concern has been received;
- b. indicating how it is proposed to deal with the matter;
- c. giving an estimate (so far as reasonably practicable) as to how long it will take to provide a final response;
- d. telling you whether any initial enquiries have been made; and
- e. telling you whether further investigations will take place and if not, why not

6.5 The amount of contact between you and the Officers considering the issues will depend on the nature of the matters raised; the potential difficulties involved; and the clarity of information provided. If necessary, further information will be sought from you.

6.6 Where any meeting is arranged, you have the right, if you so wish, to be accompanied by a trade union or professional association representative or a friend who is not involved in the area of work to which the concern relates.

6.7 The TVCA will take appropriate steps to minimise any difficulties you may experience as a result of raising a concern. For example, if you are required to give

evidence in criminal or disciplinary proceedings the TVCA will advise you about the procedure.

- 6.8 The TVCA accepts that you need to be assured that the matter has been properly addressed. Therefore, subject to any legal restraints, you will receive as much information as possible about the outcomes of any investigation.

7. HOW CAN I TAKE THE MATTER FURTHER?

- 7.1 This policy is intended to provide employees and other persons with an avenue to raise concerns **within** the TVCA and it is hoped that you will take this option in the first place. The TVCA hopes you will be satisfied. If you are not, and you feel it is right to take the matter outside the TVCA, then depending upon the nature of the issue involved, the following are possible contact points:

1. the District Auditor
2. relevant professional bodies or regulatory organisations
3. the Police
4. the Local Government Ombudsman
5. Public Concern at Work
6. an independent legal adviser within the meaning of the Public Interest Disclosure Act 1998
7. a regulatory body designated for the purposes of the Public Interest Disclosure Act

- 7.2 If you do wish to take the matter outside the TVCA, you must first ensure that you do not disclose confidential information. Check with a nominated Officer or the Monitoring Officer about that. In addition, if you wish to secure the protections afforded by the Public Interest Disclosure Act, you must ensure that your disclosure is protected within the meaning of the Act and that it complies with a set of specific conditions which vary according to whom the disclosure is made. Again please check with a nominated Officer or the Monitoring Officer about these matters.

8. RESPONSIBILITY FOR THE POLICY

- 8.1 The responsibility for the effectiveness and efficiency of this policy rests with [the Monitoring Officer]. That Officer will be advised about and maintain records of concerns raised and the outcomes (but in a form which does not endanger your confidentiality) and will report as necessary to the Council.

Part 6.4 Members Expenses

MEMBERS' EXPENSES SCHEME 1ST APRIL, 2016 TO 31ST MARCH 2017

In accordance with the Local Authorities (Members' Allowances) (England) Regulations 2003 (as amended) ("the Regulations"), the TVCA's scheme for the payment of Expenses, with effect from 1st April, 2016 is as follows:-

It is hereby agreed that members expenses shall only be payable for travel outside of the Tees Valley.

(a) Mileage Expenses

<u>Member's motorcycle</u>	21.45p per mile
<u>Member's Car</u>	46.9p per mile
<u>Bicycle/Cycle</u>	23p per mile

In addition 3p per mile can be claimed for each passenger carried (up to a maximum of 4) to whom a travelling allowance would otherwise be payable.

(b) Meal Expenses

a. <u>Breakfast allowance (provided the journey starts before 7.00 am)</u>	<u>£7.76</u>
b. <u>Evening meal allowance (provided the journey ends after 8.30 pm)</u>	<u>£13.25</u>

(c) Subsistence Allowance

Overnight or for an annual conference of the Local Government Association (including or not including an annual meeting) or of such other association of bodies as may be approved for the time being for the purpose. This allowance would normally cover the cost of accommodation and all meals within a 24 hour period. However, additional reimbursement for meals can be claimed in accordance with the scheme, if these, together with the cost of accommodation exceed £102.84.

£102.84

(d) Subject to the requirement above that the travel is only paid outside of the Tees Valley, travelling and subsistence Expenses may be paid for:-

- a meeting of some other body to which the TVCA makes appointments or nominations, or
 - a meeting which has **both** been authorised by the TVCA or a committee of the TVCA and one or more other authorities, a meeting of a local authority association of which the TVCA is a member

- (e) Within the context of this section of the Scheme “Member” includes a Substitute Member.

2. **General**

- (a) A person may, by notice in writing given to the Proper Officer of the TVCA, elect to forgo his entitlement or any part of his/her entitlement to Expenses.
- (b) The time limit from the date on which an entitlement to an allowance arises during which a claim for the allowance must be made by the person to whom they are payable is two months.
- (c) This will not however prevent the TVCA from making a payment where the allowance is not claimed within the period specified in the scheme should the circumstances justify doing so.
- (d) Where a Member of the TVCA is also a member of another authority, that Member may not receive Expenses from more than one authority in respect of the same duties.
- (e) Where payment of any allowance has already been made in respect of any period during which the Member concerned:-
- (i) ceases to be a Member of the TVCA; or
 - (ii) is in any other way not entitled to receive the Expenses in respect of that period,

the TVCA may require that such part of the allowance as relates to any such period be repaid to the TVCA.
