

## Tees Valley Combined Authority - Cabinet Decision Record

**Date of decision:** 22<sup>nd</sup> February 2018

**Title of Item/Report:** Durham Tees Valley Airport

**Record of Decision:**

Cabinet had a wide ranging and constructive discussion on options for the future of Durham Tees Valley Airport. Officers briefed the Cabinet on a number of options for development.

**Resolved that:**

- i. A full appraisal of potential options for the ownership and development of Durham Tees Valley Airport, ruling nothing in or out at this stage, be supported;
- ii. Proposals be developed to support the expansion and marketing of routes, to be led directly by the Combined Authority;
- iii. Clear timescales for assessment and decision making are developed, taking into account the need for appropriate commercial, operational and financial due diligence.

**Declared conflicts of interest:** None.

**Call in deadline:** Midnight on 3<sup>rd</sup> March 2018
